Description:

PS&S recommends that the garage at 23 Maplewood Avenue, constructed between 1940 and 1953, is a non-contributing property in the Cranbury Historic District.

The 1 ½-story, gable-roofed, frame, clapboard and stucco-clad garage is partially visible from the public right-of-way and includes 2 wood sectional garage doors on the south elevation and a 16-light casement window with 4-light sidelight and transom on the east elevation.

Historic maps indicate that Maplewood Avenue remained largely undeveloped until after the middle of the 19th century. Historic maps and aerial photographs indicate that the building at 23 Maplewood was constructed between 1940 and 1953. It was not included in the inventory for the 1980 National Register Nomination for the Cranbury Historic District, historic maps, and any previous historic resource surveys. Historic aerial photographs and visual evidence do not indicate any major campaigns of addition.

This property is a non-contributing property in the historic district because the building was constructed after the period of significance.

Setting:

Maplewood Avenue is an approximately half-mile long primarily residential street that connects N. Main Street, to the northwest, to Route
